Information on patent family members

PCT/SG2004/000382

This Annex lists the known "A" publication level patent family members relating to the patent documents cited in the above-mentioned international search report. The Australian Patent Office is in no way liable for these particulars which are merely given for the purpose of information.

Patent Document Cited in Search Report		Patent Family Member		
CA	2244549	NONE		
US	2003208477	NONE		
US	2004107210	NONE		
Due to	data integration issue	es this family listing may	not include 10 digit Australian applications filed since May 2001.
